Dear Parents

As part of our work in school, we sometimes like to arrange local visits, all of which are appropriately supervised and planned with detailed risk assessments. To help us to do this, we would be grateful if you would sign and give your permission for your child to take part in these activities. We will always give you notice of such activities, so that any questions you may have about particular trips can be answered in advance. This type of visit will always be within walking distance. We may use the texting service to inform you of a forthcoming visit, so please make sure that we always have an up-to-date contact number.

I give permission for my child _____ to take part in accompanied visits arranged by Kessingland C of E Primary Academy, in and around the locality, in connection with his/her learning.
