

Newsletter – 22nd January 2018

We have shared dates up until Easter in this newsletter. Please note that we have made some changes to the Parent Cafes. In response to your feedback, we have ensured that there is only one Parent Café timetabled at any one time. This allows parents to support each of their children for the whole event.

U11 Primary School Athletics Competition

A big well done to the 16 Year 5 and Year 6 pupils who represented the school so well at the Indoor Athletics event last Wednesday. The team performed extremely well and we are very proud of you all.

Kessingland Community Kitchen & Wildlife Garden (Rider Haggard Lane)

We have all had fun working with Muddy Jo and her team from Greener Growth, last year, at our school site and the community project. Paul, from Greener Growth will be at the community site on **Tuesday 13th February from 11am**, as part of the community initiative to develop this plot, where they will be planting and putting up bat boxes and bird boxes. Children, with a supervising adult, are welcome to come and join in the start of making this space a real asset for everyone to enjoy.

‘Understanding Your Child’ course

‘Understanding Your Child’ is a 10-week group programme for parents. The group aims to improve parent and child relationships and is helpful for parents with children of all ages.

To book a place on the group or find out more, please contact Andi Spalding on 07713 087787 or Phil Reeve on 07713 093631. Email referrals or enquires to parenting@suffolk.gov.uk. The course is being held at our school and starts on the 19th April through to 28th June from 9.30am to 11.45am.
