

Childcare (Disqualification) Regulations 2009- Staff Declaration

In an update to the statutory guidance “Keeping Children Safe” (update issued in October 2014) the Department for Education made it clear that the Childcare (Disqualification) 2009 Regulations apply to school/academy settings as well as to childcare settings.

This means that, in order to comply with the Childcare (Disqualification) Regulations 2009, the school/academy must ensure that staff are not disqualified from working with children who have not yet reached the age of 8.

All staff (including new appointees) must complete the declaration below. This will provide confirmation that staff are not disqualified under the Childcare (Disqualification) 2009 Regulations from working with children.

The school/academy is compelled to ask for the information, which is separate from any other information already provided (e.g. DBS check) and staff must complete the form with accurate information.

If a member of staff is disqualified, there may be an impact on their ability to remain working with the relevant age group. A disqualified person is not permitted to continue to work in a setting providing care for children under age 8, unless they apply for and are granted a waiver from OFSTED.

A person may be disqualified through

1. having certain orders or other restrictions placed upon them
2. having committed certain offences
3. living in the same household as someone who is disqualified by virtue of 1 or 2 above (this is known as disqualification by association)
