Cake Sale

Tuesday 22nd May

Our next Cake Bring and Buy Sale will be on Tuesday 22nd May in the playground straight after school, so let's get the whole family baking...

There will be a Nursery sale at 11.45am in the EYFS playground.

All donations gratefully received big or small.

There will be a reward of house points for the house who donates the most cakes for the sale. 😊

Please bring your cakes (clearly marked with the house name) to the school office on the morning of 22nd May.

Currently we are raising money towards equipment and trips for the children with our overall goal to astro-turf our multi use games area, so this can be moved onto the field to allow the children to use the area all year around.

Many thanks Friends

We are still looking for more members. The more volunteers we have, the more opportunities your children will have. Please support us if you can.

Our next meeting: Friday 8th June 1.30pm at school.
