

## Newsletter – 21<sup>st</sup> May 2018

This half-term has simply flown by. The last two weeks has seen the Year 2 and Year 6 children complete their SATs and the attitude of the children has been amazing. They could not have worked harder and whatever the outcome, knowing that they have all done their very best, means we will be extremely proud of everyone.

We are already planning a number of exciting things for the next academic year and we would like you to be involved in shaping the future. We will be sending out a questionnaire tomorrow and would appreciate it if you could share your views by returning the completed form before the half-term break.

### Friends of the School 2018

The Friends of Kessingland CofE Primary Academy are looking to recruit more parents to join their team. They are currently preparing for the summer fete and any support would be most welcome. If you are able to help in any way, please could you come to the school office and share your details.

### School Farm and Country Fair

What a fantastic day Year 3 and 4 children have had at the Suffolk Farm and Country Fair. All of the children were beautifully behaved and represented our school so well. The children took part in a number of activities linked to the farm and Suffolk. They have had the opportunity to hold and feel many different farm animals, including lambs, calves, pigs, baby chicks, donkeys, hounds and many more. They found out about different crops that are grown, and tasted different foods. A highlight of the day was visiting and asking questions about the Air Ambulance and also watching the sheep shearing.

### Times Tables Rock Stars

We have once again celebrated the success of pupils who have managed to reach one of the top three statuses on TT Rock Stars. We now have an additional eight pupils who are Rock Stars and four pupils who are Rock Legends! What an incredible achievement! Congratulations and keep practising!

### Woodcraft

During last half term, Year 6 had the opportunity to be involved in an initiative by Lowestoft Woodcraft to visit schools in our area to promote their group. We had a fun afternoon, with their representative Gail Arnold, participating in activities which we all thoroughly enjoyed.

Lowestoft Woodcraft are holding two **free events** to promote their group further. The events are:

Date	Lowestoft Woodcraft	Venue
Tuesday 29th May	Rock Fun	Lowestoft Library
Saturday 9th June	Activity Day	St Andrew's Hall, Roman Rd, Lowestoft

Should you be interested in attending, posters are displayed on the school notice boards and we have a supply of flyers that can be obtained from the school office.
