Flourishing Together

Our vision and values are based on these Bible verses:

For the body is not one member, but many (1 Corinthians 12:14)

If anyone forces you to go one mile, go with them two miles. Give to the one who asks you, and do not turn away from the one who wants to borrow from you (Matthew 5:41-42)

Our vision and values

Teamwork and Service, imbued with **kindness**, lie at the heart of all the Education Team does to support schools and academies across the Diocese. This shapes our interactions and dealings with everyone, recognising that in life as in education, we are always 'stronger together'.

We are **Centred in Community** in its various forms – school, federation, Multi Academy Trust, village/town/city, county, church, Diocese, office, family – and strive to **live well together**. We model **dignity and respect, hope and aspiration** going the 'extra mile' to enable the flourishing of all.

Immeasurably more than we can imagine! Our passion and ambition is to see children in all our schools and academies achieve excellent educational outcomes alongside developing and growing into their potential as individuals made in the image of God.

Together we can achieve: 'Immeasurably more than we can imagine!'

Our passion and ambition is to see children in all our schools and academies achieve excellent educational outcomes alongside developing and growing into their potential as individuals made in the image of God. Our culture is one of high aspiration rooted in our Christian values as demonstrated in the life and teachings of Jesus Christ. We have a desire to see Norfolk, and our schools in North East Suffolk, and its education system recognised as a place of aspiration, achievement and hope whether living in a rural area, coastal community, market town or the city of Norwich.
