	Describe how animals change.	humans change in appearance over time.	Understand some of the tasks required to look after a baby	Identify different stages of growth (e.g. baby, toddler, child, teenager, adult)	allow someone into their body space	Name some positive and negative feelings	Understand what kinds of touch are acceptable or unacceptable	Recognise that photos can be changed to match society's view of perfect;
	Name the 4 seasons.	Use relevant vocabulary such as egg, seed, baby, grow, change, old, young (and the names for young animals).	Explain how to meet the basic needs of a baby, for example, eye contact, cuddling, washing, changing, feeding	Understand and describe some of the things that people are capable of at these different stages	Rehearse strategies for when someone is inappropriately in their body space	Understand how the onset of puberty can have emotional as well as physical impact	Describe strategies for dealing with situations in which they would feel uncomfortable, particularly in relation to inappropriate touch	Identify qualities that people have, as well as their looks
	Describe the life cycle of a butterfly.				Define the terms 'secret' and 'surprise' and know the difference between a safe and an unsafe secret	Suggest reasons why young people sometimes fall out with their parents	Explain how someone might feel when they are separated from someone or something they like	Define what is meant by the term stereotype
	Say what a baby needs.	Make observations and ask questions about living things.	Identify things they could do as a baby, a toddler and can do now	Identify which parts of the human body are private	Recognise how different surprises and secrets might make them feel	Take part in a role play practising how to compromise		Recognise how the media can sometimes reinforce gender stereotypes
	Talk about how they have changed since being a baby.	Retell a story and respond to questions about it.		Explain that a person's genitals help them to make babies when they are grown up	Know who they could ask for help if a secret made them feel uncomfortable or unsafe	Identify parts of the body that males and females have in common and those that are different	Suggest ways to help someone who is separated from someone or something they like	Recognise that people fall into a wide range of what is seen as normal
	Say what they want to be when they grow up.	Use the language and describe the different life stages of: baby, child, teenager, adult, older age.	Identify the people who help/helped them at those different stages	Understand that humans mostly have the same body parts but that they can look different from person to person		Know the correct terminology for their genitalia	Know the correct words for the external sexual organs	Challenge stereotypical gender portrayals of people
	Understand boys and girls are different.		Explain the difference between teasing and bullying			Understand and explain why puberty happens	Discuss some of the myths associated with puberty	Understand the risks of sharing images online and how these are hard to control, once shared
	Know families are different.	Talk about their own experience of growing up.	Give examples of what they can do if they experience or witness bullying	Explain what privacy means		Know the key facts of the menstrual cycle	Identify some products that they may need during puberty and why	Understand that people can feel pressured to behave in a certain way because of the influence of the peer group
	Know how to keep their private parts	Explain that a baby is made by a woman and a man, and grows		Know that you are not allowed to touch someone's		Understand that periods are a normal part of puberty for girls	Know what menstruation is and why it happens	Understand the norms of risk-taking behaviour and that these are usually lower than people believe them to be

	safe and private.	<p>inside a mother's tummy.</p> <p>Understand that every family is different.</p> <p>Talk about similarities and differences between themselves and others.</p> <p>Talk about how they have changed as they have grown.</p> <p>Explain the differences between babies, children, and adults.</p> <p>Understand that we are all unique.</p> <p>Name parts of the body (including reproductive parts) using the correct vocabulary.</p> <p>Explain which parts of their</p>	<p>Say who they could get help from in a bullying situation</p> <p>Explain the difference between a secret and a nice surprise</p> <p>Identify situations as being secrets or surprises</p> <p>Identify who they can talk to if they feel uncomfortable about any secret they are told, or told to keep</p> <p>Identify parts of the body that are private</p> <p>Describe ways in which private parts can be kept private</p> <p>Identify people they can talk to about their private parts.</p>	<p>private belongings without their permission</p> <p>Give examples of different types of private information</p>		<p>Identify some of the ways to cope better with periods</p> <p>Define the terms 'secret' and 'surprise' and know the difference between a safe and an unsafe secret</p> <p>Recognise how different surprises and secrets might make them feel</p> <p>Know who they could ask for help if a secret made them feel uncomfortable or unsafe</p> <p>Understand that marriage is a commitment to be entered into freely and not against someone's will</p> <p>Recognise that marriage includes same sex and opposite sex partners</p> <p>Know the legal age for marriage in England or Scotland</p> <p>Discuss the reasons why a person would</p>	<p>Recognise how our body feels when we're relaxed</p> <p>List some of the ways our body feels when it is nervous or sad</p> <p>Describe and/or demonstrate how to be resilient in order to find someone who will listen to you</p> <p>Identify the consequences of positive and negative behaviour on themselves and others</p> <p>Give examples of how individual/group actions can impact on others in a positive or negative way</p> <p>Explain the difference between a safe and an unsafe secret</p> <p>Identify situations where someone might need to break a confidence in order to keep someone safe</p> <p>Recognise that some people can get bullied because of the way</p>	<p>Define the word 'puberty' giving examples of some of the physical and emotional changes associated with it</p> <p>Suggest strategies that would help someone who felt challenged by the changes in puberty</p> <p>Know where someone could get support if they were concerned about their own or another person's safety</p> <p>Explain the difference between a safe and an unsafe secret</p> <p>Identify situations where someone might need to break a confidence in order to keep someone safe</p> <p>Identify the changes that happen through puberty</p>
--	-------------------	---	---	---	--	---	---	---

		body are kept private and safe and why. Tell or ask an appropriate adult for help if they feel unsafe.				want to be married, or live together, or have a civil ceremony	they express their gender Give examples of how bullying behaviours can be stopped
