Our Christian Ethos and Values

All policies within the Diocese of Norwich Education and Academies Trust hereafter referred to as “the Trust”), whether relating to an individual academy or the whole Trust, will be written and implemented in line with our Christian ethos and values.

We have high ambition for all, and we truly value the wider educational experience.

We walk and talk our Christian values. We put people at the centre of the organisation and want to see them flourish and grow. Our schools are inclusive, welcoming those of all faiths and none.

Overall accountabilities and roles

The Trust has overall accountability for all its academies and staff. Through a Scheme of Delegation for each academy it sets out the responsibilities of the Trust, its Executive Officers, the Local Governing Body and the Head Teacher. The Head Teacher of each academy is responsible for the implementation of all policies of the Trust.

All employees of the Trust are subject to the Trust’s policies.

This Policy is incorporating the Special Educational Needs information in compliance with Statutory Instrument: Special Educational Needs (Information) Regulations (Clause 64) and to be read in conjunction with the Academy SEND Information Report (see Appendix 1)

From 1 September 2014, Part 3 of the Children and Families Act 2014, its associated regulation Code of Practice will be in force, and all organisations must have regard to the Code of Practice. Broad areas of SEN are detailed in paragraphs 6.28-6.35 of the Code of Practice:

[https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/398815/SEND Code of Practice January 2015.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/398815/SEND_Code_of_Practice_January_2015.pdf)

This Policy document takes account of the Equality Act 2010 and the regulations under the Children and Families Bill September 2014

Policy Statement

All pupils in the DNEAT family of Academies are entitled to support for their individual needs enabling them to develop skills, knowledge and understanding to ensure they meet their potential. Kessingland Church of England Primary Academy believes that:

- All pupils with SEND are entitled to a broad and balanced curriculum.
- Pupils’ learning occurs alongside their emotional, physical and spiritual development.
- All teachers within the Academy schools are responsible for meeting the needs of their pupils using Quality First teaching.
- All staff will use their “best endeavours” to meet the pupil’s needs.
- Parents/Carers play an important role in each Academy supporting their pupils.
- Pupils are expected to be active learners and will be consulted alongside their parents/carers to secure their success within each Academy.
- Pupils should be educated in a happy, caring and stimulating environment where everyone feels valued and able to achieve the best that they can.

What is a Special Educational Need?

A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

- has a significantly greater difficulty in learning that requires provision that is in addition to or different from others
- has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions. (Code of practice September 2014)

What is Disability?

The Equality Act 2010 definition is:

“A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long term adverse effect on his ability to carry out normal day-to-day activities”

Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equalities Act includes children with long term health conditions such as asthma, diabetes, epilepsy and cancer. Children and young people with such conditions do not necessarily have SEN, but there is a significant overlap between disabled children and young people and those with SEN. Children and young people may therefore be covered by both SEN and disability legislation.

Aims and Objectives of the SEND Policy are

- That all pupils access an ambitious curriculum.
- To provide quality first teaching.
- To secure high levels of achievement for all.
- To meet individual needs through a wide range of provision.
- To attain the high levels of satisfaction and participation from pupils, parents and carers.
- To map provision for all vulnerable learners to ensure that staffing deployment, resource allocations and choice of interventions is leading to good learning outcomes.
- To promote pupils' self-esteem and emotional wellbeing to help them form and maintain worthwhile relationships based on respect from themselves and others.
- To provide continuing professional development so that staff will feel they have the expertise to meet the pupil's needs.
- To work in a cooperative partnership with the Local Authority and other outside agencies to ensure a multi-professional approach is utilised for the best interests of vulnerable learners.

Whole Academy strategies to support pupils with SEND

- Pupils will have access to Quality First teaching - examples to be referenced within the SEN Information Report. Class and subject teachers may be supported, where appropriate by teaching assistants or other experts who provide individual or group support dependent on the identified needs of the learner.
- The four-part graduated response introduced in the Code of Practice 2014 will be utilised to identify those pupils who need additional SEND Support. The graduated response is an ongoing cycle of assess, plan, do, and review.
- Those pupils who have 'significantly greater difficulty in learning than the majority of others of the same age, or have a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions' may have either a Statement of Special Educational Needs (prior to September 2014) or an Education, Health and Care plan (post September 2014). These pupils will have an Annual Review.

Roles & Responsibilities

All staff at Kessingland Church of England Primary Academy have responsibility for implementing this policy and to maximising the achievements and opportunity of all pupils with SEND and vulnerable learners.

The Headteacher is responsible for ensuring the policy is implemented consistently and effectively. The progress and strategic decision which ensure pupil's reach their potential is the key responsibility of the Headteacher.

Progress of all pupils with SEND and vulnerable learners will be demonstrated through:

- Analysis of attainment and progress data
- Analysis of progress through the 7Cs
- Consideration of the whole academy provision map
- Pupil progress meetings with individual teachers
- Individual learning plans, which are in addition to or different from typical curriculum provision
- Regular meetings with the Special Educational Needs Coordinator (SENCO)
- Discussions with parents/carers and pupils.

The Headteacher must ensure that the Academy publishes an Academy SEND Information Report (appendix 1) on its website as set out in the Code of Practice.

The Headteacher and local governing body will delegate the day to day implementation of this policy to the Special Educational Needs Coordinator (SENCO).

This person will complete the following tasks in order to fulfil the Code of Practice 2014:

- Identify pupils with a special educational need and those who are disabled and those with a medical need
- Develop a Provision Map which evidences provision that is 'additional to or different' from the curriculum for all pupils with SEN in the Academy.
- Coordinate provision for pupils with SEND.
- Liaise and advise class and subject teachers as necessary.

- Manage teaching assistants employed specifically to support pupils with SEND.
- Oversee the records of pupils with SEND
- Identify and then contribute to in-service training for staff within the school.
- In conjunction with the class/subject teacher liaise with the parents/carers.
- Coordinate the Annual Review for pupils with Education Health and Care plans.
- Monitor the Academy's system of Learning Plans or Pupil Passports.
- Liaise with the Academy Governors, keeping the link Governor up-to-date with key national and academy-based issues.
- Attend meetings or training specific to the role of SENCO as appropriate.
- Liaise with visiting professionals who support the vulnerable learner.

The Class or subject teacher will in consultation with the SENCO

- Agree which pupils are vulnerable learners and those who may have SEN or are disabled or have a medical need.
- Identify which pupils are underachieving and need to have access to additional interventions but do not necessarily have SEN.
- Identify which pupils require additional support due to their special needs and therefore need a Learning Plan or Pupil Passport.
- Secure good teaching outcomes by providing quality first teaching and reasonable adjustments as a standard classroom technique.
- Ensure pupils have access to appropriate support, including resources, to ensure the barriers to learning are reduced.

Staff training

All staffing appointments to support pupils with SEND and vulnerable learners will be carried out in accordance with Equal Opportunities legislation, employment law, safer recruitment and best practice. It is an expectation that all SENCOs will have or study for the 'National Award in SEN Co-ordination'. Staff training will be offered as needs are identified.

Partnership with Parents / Carers

In line with the Code of Practice 2014 Parents/Carers are vital partners in the pupil's journey through their Academy life. There will be regular parents/carers consultation events which will bring the two parties together to ensure that their pupil's reaches their potential.

The Code of Practice very much places the parents/carers and their child at the centre of the support and ensures their voices and opinions are heard in the partnership with the Academy. Parents/Carers are encouraged to speak directly to their child's class or subject teacher if any need arises.

Voice of the Pupil

The Academy recognises the emphasis placed on educational establishments to ensure that pupils are consulted where appropriate, are part of the monitoring of progress and are involved in decisions around their education.

To achieve this the Academy will encourage pupils to express their views about their learning, help them to identify their own targets and needs and be part of the graduated response.

Monitoring

The impact of this policy will be monitored through regular review and feedback from staff, children and parents/carers.

The outcome of this monitoring will be reported to Governors and will impact on future development of associated policies and practice.

Review

The policy will be reviewed annually or earlier if relevant.

SEND Information Report for
Kessingland Church of England Primary Academy 2022/23
Part of the Suffolk Local Offer for Learners with SEND

Introduction

Welcome to our SEND information report which is part of the Norfolk Local Offer for learners with Special Educational Needs and disabilities (SEND.) All governing bodies of maintained schools, maintained nursery schools and Academies have a legal duty to publish information on their website about the implementation of the governing body's policy for pupils with SEND. The information published must be updated annually.

At Kessingland Church of England Primary Academy, we are committed to working together with all members of our school community. This local offer has been produced with pupils, parents/carers, governors, and members of staff. We would welcome your feedback and future involvement in the review of our offer, so please do contact us. The best people to contact this year are:

Name of SEND Governor	Mrs Jill Horne
Name of SENDCo	Miss Sarah Smith
Name of Headteacher	Mr. Adrian Crossland

If you think your child may have SEND please speak to their Class Teacher or contact our SENCO on (01502 740223)

Our Approach to Teaching Learners with SEND

At Kessingland Church of England Primary Academy we believe in participation for all. We want all adults and children to participate in learning and we celebrate all members of our community. We want to create an inclusive culture in our Academy and we aim to be responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We value high quality teaching for all learners and actively monitor teaching and learning in the Academy. We aim to create a learning environment which is flexible enough to meet the needs of all members of our Academy community. We monitor progress of all learners, staff continually assess ensuring that learning is taking place. Our whole Academy system for monitoring progress includes regular pupil progress meetings, and staff engage in coaching and supervision.

At Kessingland Church of England Primary Academy, our vision is for all learners is deeply rooted in strong Christian values and nurtured in our love and care for one another. We want everyone in our school family to ASPIRE to be the best that they can be, BELIEVE in themselves and others and CHALLENGE each other to achieve more than they ever thought possible knowing that 'With God, all things are possible' (Matthew 19:26).

We want our pupils to live life to the full. Just as the Good Shepherd knows each of his flock, we want to know each of our children and their unique and individual qualities. We aim that like the Good Shepherd, we ensure each of our flock reach the best pastures where they are able to 'Thrive'. Just as the Good Shepherd persevered to look for his 'Lost Sheep' we aim to nurture and support those who may find things difficult and share together when we achieve great things.

As staff, parents and governors we strive to be like the Good Shepherd reassuring and protecting our children to feel safe and flourish as individuals and an aspiring community.

At Kessingland Church of England Primary Academy we value:

Learning for all.

How we identify SEND

At different times in their Academy career, a child or young person may have a special educational need. The Code of Practice defines SEND as:

"A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory Academy age or a young person has a learning difficulty or disability if they:

- (a) have a significantly greater difficulty in learning than the majority of others of the same age: or**
- (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream Academies or mainstream post-16 institutions."**

If a learner is identified as having SEND, we will provide provision that is 'additional to or different from' the normal differentiated curriculum, intended to overcome the barrier to their learning.

Learners can fall behind in the Academy for lots of reasons. At Kessingland Church of England Primary Academy we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all vulnerable learners have SEND. Only those with a learning difficulty that requires special educational provision will be identified as having SEND.

Our SEND profile for 2022-23 shows that we have:

50 (22%) of children are identified as having SEN, 9 (4%) of these children have an Education Health and Care Plan.

12 (24%) children are identified as having their primary need linked to Cognition and Learning;

23 (46%) children linked to Communication and Interaction;

1 (2%) children linked to Physical and Sensory;

14 (28%) children are identified as having SEN linked to Social, Emotional and Mental Health difficulties.

It is important to note that although the children are placed in the primary category of SEND, they may also have additional needs and /or difficulties in the other categories too.

Assessing SEND

Class Teachers, support staff, parents/carers and the learner themselves will be the first to notice a difficulty with learning. At Kessingland Church of England Primary Academy we ensure that assessment of educational needs, directly involves the learner, their parents/carers and of course their Teacher. The Special Educational Needs Co-ordinator (SENCO) will also support with the identification of barriers to learning. We have a range of assessment tools available within Academy.

For some learners we may want to seek advice from specialist teams. In our Academy we have access to various specialist services but may have to be commissioned from our Academy budget. We have access to services universally provided by Norfolk County Council, which are described below:

The agencies used by the Academy include:

- Educational Psychologists
- Specialist Education Services: Cognition and Learning Team, Communication and Interaction Team, Social, Emotional and Mental Health Team and Sensory and Physical Team.
- Speech and Language Therapists
- The Newberry Child Development Centre
- CAMHS
- School Health including School Nursing Team
- Occupational Therapists
- Dyslexia Outreach Team
- Suffolk Family Carers
- Educational Welfare Officer
- Social Workers and Family Support Practitioners

We currently employ 17 members of support staff (some part-time) who support quality first teaching and deliver interventions as needed, monitored on the provision map, as coordinated by our SENCO. This includes: 2 Higher Level Teaching Assistants/ Cover Supervisors, 3 Academic mentors and 2 members of the Student and Family Support Team.

What we do to Support Learners with SEND

Every Teacher is required to adapt the curriculum to ensure access to learning for all children in their class. The Teacher Standards 2021 detail the expectations on all teachers, and we at Kessingland Church of England Primary Academy are proud of our Teachers and their development.

Our Teachers will use various strategies to adapt access to the curriculum, this might include using:

- Visual timetables
- Writing frames
- Laptops or other alternative recording devices
- Thrive Approach
- Referral to our Student and Family Support Team or external agencies
- Additional interventions and support in class
- Individual support for emotional needs
- Positive behaviour rewards system – (for further information please see our Behaviour Policy, available upon request from the School office or it can be found on our website.

Each learner identified as having SEND, is entitled to support that is 'additional to or different from' a normal differentiated curriculum. The type of support is dependent on the individual learning needs, and is intended to enable access to learning and overcome the barrier to learning identified. This support is described on a provision map, which although does not detail the individual learner names, describes the interventions and actions that we undertake at Kessingland Church of England Primary Academy to support learners with SEND across the year groups. We modify the provision map regularly, and it changes every year, as our learners and their needs change.

Our provision map is shared with Governors who are able to ensure that we monitor the impact of these interventions on learning across the Academy.

Funding for SEND

Kessingland Church of England Primary Academy receives funding directly to the school to support the needs of learners with SEN. This is described in a SEN memorandum. The amount of funding we receive for 2022/23 is: £155,418.64.

Individual 'top up' funding from the LA is applied for where evidence suggests it is appropriate.

How do we Find Out if this Support is Effective?

Monitoring progress is an integral part of teaching and leadership within Kessingland Church of England Primary Academy. Parents/carers, pupils and staff are involved in reviewing the impact of interventions for learners with SEND. We follow the 'assess, plan, do, review' model and ensure that parents/carers and children are involved in each step. Before any additional provision is selected to help a child, the SENCO, Teacher, parent/carer and learner, agree what they expect to be different following this intervention. A baseline will also be recorded, which can be used to compare the impact of the provision.

Children, Parents/carers and their Teaching and Support Staff will be directly involved in reviewing progress. This review can be built in to the intervention itself, or it can be a formal meeting held, where we all discuss progress and next steps. If a learner has an Education Health and Care Plan (EHC plan) the same review procedures take place, but the Statement or EHC plan will also be formally reviewed annually.

The SENCO collates the impact data of interventions, to ensure that we are only using interventions that work.

Progress data of all learners is collated by the whole Academy and monitored by Teachers, Senior Leaders and Governors. Our Academy and cluster data is also monitored by the Local Authority and Ofsted.

Other Opportunities for Learning

All learners should have the same opportunity to access extra-curricular activities. At Kessingland Church of England Primary Academy this academic year we are offering a range of additional clubs and activities. These can be found on our Academy web page or by contacting our Academy Office.

We are committed to making reasonable adjustments to ensure participation for all, so please contact our Head teacher or SENCO to discuss specific requirements.

All staff at Kessingland Church of England Primary Academy work within the Equality Act 2010. This legislation places specific duties on Academies / Schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'

The Equality Act 2010 definition of disability is:

"A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day-to-day activities."

Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equality Act includes children with long term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEND, but there is a significant overlap between disabled children and young people and those with SEND. Children and young people may therefore be covered by both SEND and disability legislation.

For more information about the Equality Act, the protected characteristics or duties on public bodies, please follow this link

<https://www.gov.uk/equality-act-2010-guidance>

Individual medical needs are also identified and with Parents/Carers, a care plan is agreed.

Preparing for the next step

Transition is a part of life for all learners. This can be transition to a new class in the Academy, having a new teacher, or moving on to another Academy, training provider or moving into employment. XXXXXX Academy is committed to working in partnership with children, families and other providers to ensure positive transitions occur.

Planning for transition is a part of our provision for all learners with SEND. Moving classes will be discussed with the parents and child at their summer term review meeting. Transition to a secondary Academy of children with an EHC will be discussed in the summer term of their Year 5, to ensure time for planning and preparation.

Have your say

Kessingland Church of England Primary Academy is part of the community. We can shape and develop provision for all of our learners ensuring achievement for all. This SEND report declares our annual offer to learners with SEND, but to be effective it needs the views of all parents/carers, learners, governors and staff. So please engage with our annual process to 'assess plan, do and review' provision for SEND.
