Kessingland Church of England Primary Academy

ACCESSIBILITY PLAN

2022-2025

At Kessingland Church of England Primary Academy we believe that just as the Good Shepherd know and LOVES each of his flock, we want to know each of our children and their unique and individual qualities, showing RESPECT and COMPASSION. We aim that like the Good Shepherd, we ensure each of our flock reach the best pastures where they are able to 'Thrive'. Just as the Good Shepherd PERSEVERED to look for his 'Lost Sheep', we aim to nurture and support those who may find things difficult and share together when we achieve great things.

This policy and plan sets out our aims to ensure that everyone has equality of access to allow them each to reach their own potential.

1. The Purpose of this Plan

This plan sets out how The Academy will increase access to education for disabled pupils in three key areas:

- (a) increasing the extent to which disabled pupils can participate in the academy curriculum;
- (b) improving the environment of the academy to increase the extent to which disabled pupils can take advantage of education and associated services;
- (c) focusing on how we deliver information, which is often only provided in writing to improve accessibility for all including disabled parents.

Our school accessibility plan will be reviewed every three years and reported on annually.

2. What does accessibility and inclusion mean for our academy?

We are committed to providing an academy that can be accessed, understood and used to the greatest extent possible by all people regardless of their ability or disability.

When reviewing or redesigning our academy environment (such as our buildings, technology, information, communication or culture) we will be guided by the following:

- (a) Provide the same means of use to enable access for all users: identical whenever possible; equivalent when not
- (b) Avoid segregating or stigmatizing any users
- (c) Provisions for privacy, security and safety shall be equally available to all users (d) Ensure dignity in use for all users.

3. Definition of disability

The definition of disability is set out in the Equality Act 2010, Part 6:

‘A physical or mental impairment which has a substantial and long-term effect on a person’s ability to carry out normal day to day activities’.

Reasonable adjustments for disabled people

Where something the school does places a disabled person at a substantial disadvantage compared to a non-disabled person, we will take all reasonable steps to try to avoid that disadvantage. This may mean changing the way we work, providing extra equipment or removing physical or other barriers.

4. Information about our academy
